"USE THE BEST!"

MRS. WILSON'S HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few cartificates from the following relia-

Please read a few certificates from the following relatible and well known people.

Musses, Henry P. Wilson & Co., My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling eff, and often cures the headache. I forward you this certificate unsolicited, because I think an article that w'I cowhat your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. Respectability, &c.,

REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very nuch." Rev Ggo. W Wooding, Hartford, Ct. "I unhesitatingly pronounce it an invaluable arti-cle from the effect on my own head." S. A. Hill, wife of Rev. Henry Hill, Manchester, N. H.

"It rendered my hair soft and glassy."
Minor Faunau, Saratoga Springs, N. Y. "I feel confident that it appraises nor as a day, but to restore the roots to their natural healthy state." REV E. M. KELLOS, Nachau, N. H.

"I most cheerfully recommend it to all persons."

REV C. RUSSELL, Littleton, N. H.,

November I.,

Messas Henry P. Wilson & Co.: I have no locatione Messag Henney P. Wilson & Cor: I have no hesitancy in saying, in my opinion, Mra Wilson's Hair Reconcrator and Hair Dressing are the best hair preparations now in use. I shall essentiate to use them with plegaure.

Rev. H. H. HARTWELL, Lawrence, Mass.

Messus, Herry P. Wilson & Co.; I have used your Bair Regenerator and Hair Dresslog, and have received great benefit from them. I doen the articles worthy of light symmendation, and elserfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandraff, or a disagreeable felling of the head, or humors, or to these whose hair is failing from the head. falling from the head.
Ray, G. W. H. CLARK, Great Falls, N. H.

Massas Henry P. Wilson & Co.: I doem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dundruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair. Manufactured and sold at wholesale by Henry P. Wilson & Co., Manchester, N. H., to whom all letters should

5403 of them manufactured last year-more than double the number of any other first class slove in one year, in the United States.

che year, in the United States.

THEY contain all the improvements which are in all the 4 first class stoves, and the mivantages and improvements over other stoves are in part as falous;

Isi. The arrangement for broiling on the front hearth,—an improvement overlooked in other first class stoves. It has also the same arrangement for broiling on top.

21. A thorough ventilation of the Oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening its operations, and chaeling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the even.

5th. Much if were weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one gridle will heat as quick as the other, also heating the even in half the time.

7th. Fire back protected by scap-stone, so it cannot burn out.

7th. Fire back protected by scap-stone, so it cannot Tith. Fire back protected by some state, burn out.

is in addition to the above improvements, it has all that is combined in other first class Stoves, viz:—Hot water Reservoir, Warming Closer, Reaster in front, Baker on ton, Doors lived with best Russia Iron, &c., &c. Further, this stove is warranted to do the work with as little fur as any other stove in the market, and in a superior manner. stove is warranted to do the work with as little furles any other stove in the market, and in a superior manner. Here, L. C. Sievens, Pastor of the Paptor Church & Golfstown Center via a letter dated feel, left says— some of my tamily have tried it, (the Commond. with signal success. I believe it to be one of the edit of the says of some of my tamily have tried it, (the Commond. with signal success. I believe it to be one of the edit it claims to be for Kidney Diseases and Institute as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Institute as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Institute as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Institute and the meanth As a last resort, he though he would be the meanth As a last resort, he though he would be made in the White Pine Compound. They provide a lattice mine and taked a land to the sarpine of all in reclaims of the word signs of amendment. All the month afterwards (Feb. 22, 1890.) in a full streng at of his cash he says: "I believe Dr. Poland's White Pine Compound. They proved a lattice made for the first."

undreds of cases of Kidney complaints. They are over the far."

many bottles h mself.
The second case was that of a business man, in Salem-Mass. He was also cured of the same comparint. Afterwards he went to Minnesota. The great fair we of his journey brought on a return of his former difficulty and

wards he went to Minnesota. The great fair word his journey brought on a return of his former difficulty and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to have it for warded by express.

"July, 1893. Dr. Polland:—Mr. J. C. Putterfield, it who soils your Medicine, has requested me to give a brief statement of what your White Pole Compound has done for me. I had been afflicted with the Kinney Companint for a long time, and had a bad Cough of the point for a long time, and had a bad Cough of the pear's standing, which caused me to spit blood quasified nearly. No one of my acquaintal case expected that I should ever get my health again. But me being the Cough and the Eidney Compound have cured not both the Cough and the Eidney Compound have cured not both the Cough and the Eidney Compound have cured not beat the Cough and the Eidney Compound have cured not beat the Cough and the Eidney Compound have cured not beat the Cough and the Eidney Compound have cured not beat the Cough and the Eidney Compound have cured not beat the Cough and the Eidney Compound have cured not beat the was going in a quick construption. She took only one bottle of your Compound and it cured her. She had seen that we had a cured her bear may be the law as the time I carled approximate the construction of the walle of your White Pine Compound You will remain her how feeble I was at the time I carled approximate the state of the White Pine Compound and the fact had a law and the fine of the content of the model of the will be a bottle of the White Pine Compound and a habiter I was a bottle of the White Pine Compound and a particular for the content of the model of the will be content of the protect of the content of the particular and the confident of the content of the particular and the confident of the content of the particular and the confident of the particular and the confident of the particular and the confident of the content of the particular and the confident of the content of the par
